How to read an invoice

- 1 Helps your provider and insurance company track invoices
- 2 Helps your insurer track this provider's invoices
- 3 If you're a member of a group like CareScout that offers preferred pricing, that ID may be added to your invoice
- 4 Date you received service
- 5 Your caregiver who provided services
- 6 Codes indicate type of care provided
- 7 Refers to level of supervision or assistance provided. Higher levels may bill at higher rates
- 8 Number of hours of service provided. Some providers may include time stamps
- 9 The hourly rate charged. Some providers may list a discounted rate here. Others may list their regular hourly rate and apply preferred pricing to the total.
- 10 Total charged for this shift and caregiver
- 11 Specific services provided during this shift
- 12 Overtime or holiday rates may be higher than regular rates
